Today we'd like to introduce you to Darrius Marcellin.

Every artist has a unique story. Can you briefly walk us through yours?

Born and raised in the Caribbean island of Trinidad, I grew up in a lower middle-class family. Many times we wouldn't have running water. I excelled at soccer and was scouted to play Division 1 at college at over 30 schools. I grew up a die-hard New York Knicks fan and decided to go to Brooklyn. I visited New York as a kid and had big dreams to one make it there. I moved to Brooklyn and moved in with my mother in Crown Heights and started at St. Francis College in Brooklyn.
